Edition No 3 September 2017

Father's Day BBQ breakfast before the monthly meeting.
Thanks to those who helped cook and clean up afterwards.
The bacon and egg rolls were very tasty.

Update on the tractor shed. The sheeting has been completed, which was no mean feat due to the wind gusts of late. The doors are on and with a few minor adjustments it will be finished. Thanks to all those who helped.

Fishing club raffles are on every Saturday at South Tamworth Bowlo. Tickets on sale from **5:00pm drawn at 6:00 pm**. Come on down and meet with fellow club members and support your fishing club.

The October long weekend went well with everyone enjoying their time at the complex.

There were a lot of people out on the weekend.

Sunset on Friday night was stunning.

Great to see so many kids and adults out having fun kayaking and fishing.

Before lunch the damper competition was judged by Ros and Kylie after much deliberation and plenty of tasting the places were decided.

1st place to Shaz with Jenny coming 2nd and Soosh 3rd Looking forward to seeing some more entries in the next damper cook off.

Q:How do fish know their weight?

A: They have scales.

We ate like kings with the meat supplied by the club and cooked by Tim and Brett. Salads and desserts were supplied by the ladies. Thank you to all the committee members as well as club members for helping to make the weekend a great success.

After lunch the all important presentation was held. With none of the juniors hooking a fish it was decided to hold a draw for the prizes. All other children weren't forgotten they received a goodie bag with lots of surprises.

The Adults had more luck catching some fish with Drew taking out both the male and overall sections. Iris was the winner of the women's section. Congratulations to the two winners.

When the sun was ready to go down we made our way back up to the shed to eat the leftovers from lunch, and to settle in and watch the NRL grand final between the Melbourne storm and the Queensland cowboys.

A big thank you to our sponsors for their generous donations.
