

## **Special Resolution**

### **Men's Bowling Club AGM 9 October 2022.**

Moved S Sweeney. Seconded S O'Connor, that the attached Draft Constitution and By Laws is adopted as the new Constitution and By Laws of the South Tamworth Men's Bowling Club replacing the Men's Bowling Club Constitution and By Laws 26.1.12.

## **Summary**

The unification of Royal NSWBA and Women's Bowls into the one new entity of Bowls NSW Limited has required that our constitution be updated.

The subsequent Constitution Template which was supplied by Bowls NSW Limited has been edited by the Bowls Committee in accordance with our existing Constitution and the resulting draft has been approved by the Bowls Committee.

The changes removed previous references to the Royal NSW Bowling Association, and CNDBA and replace them with Bowls NSW, and Zone 3, providing constitutional alignment with those associations of which we are members.

The new constitution also allows for meetings to be held electronically.
